## Corrections at the end of 2025

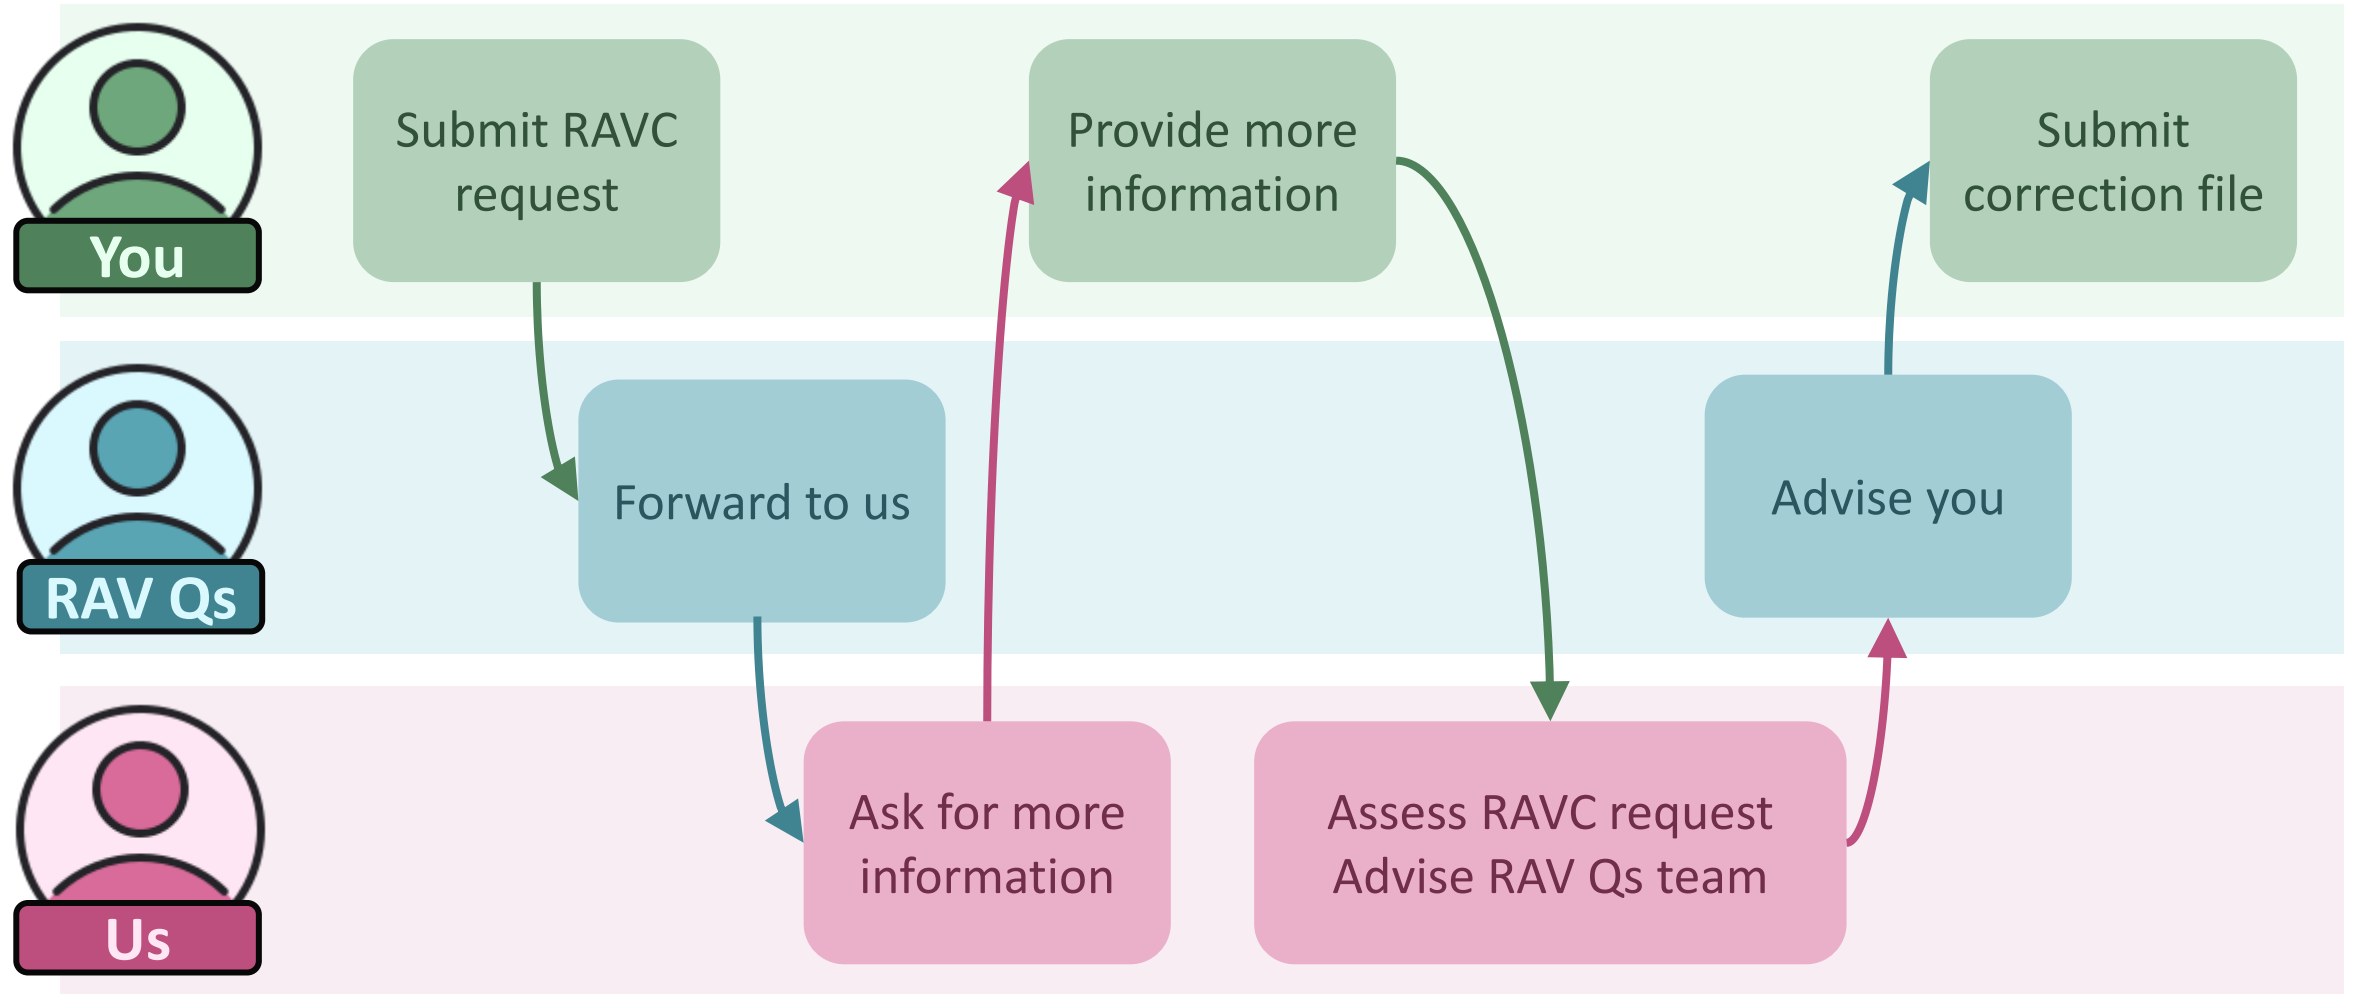

The 2025 performance period ends on Wednesday 31 December 2025.

This year counts all the vehicles you submitted to the RAV between **12:00am on 1 July 2025** and **11:59pm on 31 December 2025**.

**If you can, submit NVES RAV corrections (RAVC) before Monday 15 December 2025.**

## Vehicles

This page shows the NVES covered vehicles that have been entered on the Register of Approved Vehicles (RAV) for the regulated entity you are representing.

You can:

- View information about each covered vehicle, such as NVES vehicle type, carbon dioxide (CO<sub>2</sub>) emissions, mass in running order (MIRO), and the emissions target.
- Sort and filter the vehicles shown in the table.
- Export NVES data into an Excel file.

We have developed a guide to the NVES Portal. You can download this [here](#).

# Issuing interim emissions values

# Publishing NVES data

## What data will be published, and why?

### **Division 2—Publication and sharing of information**

#### **86 Publication of information**

- (1) The Secretary must publish the following information on the Department's website:
  - (a) for each person for whom there is a covered vehicle for a year beginning on or after 1 January 2025—the person's interim emissions value for the year;
  - (b) the name of each person who has a registry account;
  - (c) the number of units held in each registry account;
  - (d) such other information as is prescribed by the rules.
- (2) The Secretary must publish a person's interim emissions value for a year under subsection (1) as soon as practicable after the interim reconciliation day for the year.
- (3) The Secretary must ensure that information published under subsection (1) is kept up to date.

# How do I know who to trade with?

- A contact list will be available through your NVES account manager.
- It will be updated as account managers are notified of changes in details.
- If you want to opt-in, have a think of who your contact person might be.
- Contact:  
[nvesregulator@infrastructure.gov.au](mailto:nvesregulator@infrastructure.gov.au).

The screenshot shows a document header with the Australian Government and NVES (New Vehicle Efficiency Standard Regulator) logos. The title is 'Unit Trading Contact List' dated March 2026. A disclaimer states that the list contains regulated entities interested in trading NVES units and provides contact information for updates. Below this is a table with four columns: Regulated Entity, Email, Phone, and Trade. The table lists three entities: Amalia's Motors, Hallie Hyper Cars, and Rob Racer Auto Co.

Regulated Entity	Email	Phone	Trade
Amalia's Motors	<a href="mailto:amalia@amalia.com">amalia@amalia.com</a>	1800 619 248	Buy
Hallie Hyper Cars	<a href="mailto:hallie@broombroom.com">hallie@broombroom.com</a>		Sell

# Q&A

**Reminder:** This webinar is being recorded

If you would like to ask a question, type it into the Q&A panel or raise your hand and we will call on you.

The screenshot shows a mobile app interface for a 'Live event Q&A'. At the top, there are icons for a profile, settings, and information. Below the title 'Live event Q&A' is a close button (X). There are two tabs: 'Featured' and 'My questions'. Below the tabs, there is a list of questions. Each question has a profile icon, a text input field, and a submit button. The first question is from a user with a profile icon, and the second is from a user with a profile icon. Below the list, there is a section titled 'Ask a moderator' with the text 'Questions won't be visible to everyone until a moderator approves them'. At the bottom, there is a text input field with the text 'Will we be able to demo prior to launch?'. Below the input field, there is a checkbox labeled 'Post as anonymous'.
